(Please note: This part of the form must be signed by the applicant)

## Submission Paper

Maximum 1500 words - Minimum 1000 words (must be typed).  
Please add your text below each of the criteria.

### 1. Business Experience

Demonstrate how your business and managerial experience to date has provided some unique insights into business and business processes and how these can be made relevant to your class colleagues and in which modules of the course.

### 2. Interpersonal Skills

Demonstrate how your interpersonal skills will exceptionally enhance group based learning during your course.

### 3. Cultural and National Perspective

Outline your cultural and national perspective and demonstrate why this will be of interest to other members of an international class.

### 4. Special Attributes

Outline any academic or other specialised skill achievements that you possess which will enhance and contribute to class discussion and debate.

### 5. General attributes

Generally demonstrate why your application should be considered ahead of others from your region.

The form may be completed electronically or in your own handwriting. If you are using handwriting, please complete the form neatly and in black ink. We will not process forms which are illegible or incomplete.

Please send your completed form, with any other necessary documentation:
